The service is for students attending or applying to attend the College. The proposed parent contribution towards the bus service is $100 per term. The service will be heavily subsidized for the benefit of families by the College Council.

CAREERS DAY
Thank you to Ms Toni Sanfilippo (Careers Coordinator) who organized a very successful Careers Day for our Year 10 and Year 11 students, held on Monday 6th May, 2013. It is most important that students continue to pursue their options towards their career pathways.

Thank you to the many guests/organizations that attended our “lunch time expo” informing our students of possible courses and opportunities that exist within the multitude of pathways.

HOUSE ATHLETICS CARNIVAL
After a damp start we managed to have a very successful Athletics Carnival on Tuesday 7th May, held at Ross Reserve, Noble Park. Thank you to all staff and students who made the day such a success.

ERROR IN THE STUDENT DIARY
Please note that there is an error in the end of Term 2 date in the school diary. The last day of school for Term 2 is on 28th June 2013.

NIGHT OF THE NOTABLES
WEDNESDAY 19TH JUNE 2013
This is forward notification of another important event to place in your diaries. Our Junior School is planning this event now and further details are within this Newsletter.

COLLEGE SCHOOL BUS SERVICE
Currently we have a daily bus service which is currently offered for those students in the Keysborough, Springvale South and Dandenong North areas who would otherwise find access to the College difficult. There are some vacancies now available on our daily bus service which may be extended to other surrounding areas. If you are interested in using our bus to safely arrive at our College, please contact me as we are willing to alter our bus route to meet your needs.

CAREERS DAY 2013
This year’s Careers Day went very well. Year 10 and 11 students listened to a number of speakers, including motivational speakers, University, TAFE and apprenticeships. An Expo was held for students in year 7-12 in the science centre, with 15 different representatives from educational institutions, apprenticeship centres etc. The Fire Brigade and Police also attended the day and were able to answer students’ questions. A BBQ was run by VCAL students, which students, teachers and presenters enjoyed. A warm thanks to all student and staff helpers.

Careers Coordinator

TOP DESIGNS
On the 9th of May 2013 students completing design subjects from years 10-12 visited the Melbourne Museum to attend Top Designs 2013. Top Designs is an exhibition set up for students and teachers to see the top Design work from senior VCE students from the year before. This provided for current students to gain inspiration and guidance for their own work to be completed this year. All students were astonished by the folios presented at Top Designs and proved to be motivational and inspiration to all. The short amount of time spent there was enough for students to gain some extra knowledge and to see the top designs and have something to aspire to for the future. The students who attended are more excited than ever to complete creative and outstanding folios to hopefully be a part of the selected few to be in Top Designs.

CONGRATULATIONS TO OUR HIGH ACHIEVERS’ PROGRAM
DAVINCI DECATHLON
A group of high achieving year 7 students from Noble Park Secondary College competed in the annual DaVinci Decathlon held at St Leonard’s College on the 8th of May, 2013. The students were selected based on their level of achievement in their subjects in consultation with their teachers. The Year 7 students selected were:

• Fardina Ahmareen
• Lauren Artzenhofer
• Strong Seng
• Arlysa Leng
• Emerald Piseth-An
• Emed Tajwar
• Kyli Chan
• Nathan Chor
• Charlene Trinidad
• Hashim Zia

The schools competing were both government and private. Each school had at least one team of 8 students representing them in each part of the competition - schools that had a dedicated high achieving class could have up to 3 mixed teams.

The competition went over the day testing areas as diverse in nature as philosophy through to engineering - which were then assessed by nominated expert teachers. The students from Noble Park Secondary College acquitted themselves well and had a tremendous day of challenges, and were thrilled at their level of ability in relation to the many other competing schools. Congratulations on your high achievements.

The College is now recruiting students who wish to join the 2014 tour to Japan. It is likely to be held in June. We will spend approximately two weeks in the country. The first week will include a visit to our sister school, Shinminato Senior High School during which students will stay in a homestay. Students will attend school every day with their host brother or sister. This will be followed by another week when we will travel around Japan. Our itinerary will likely include a visit to Tokyo (including a day at Tokyo Disneyland), travel on the bullet train to Kyoto to see such attractions as the Golden Pavilion, as well as a visit to Hiroshima. Shinminato has been our sister school for almost 20 years. During that time, many of our Noble Park students have enjoyed the experience of visiting Japan. This experience is something that will stay with the students for the rest of their lives. If you are interested in having your son or daughter participate, please fill out the details below. For more information about dates, itinerary, or cost please speak to either Mr Turnbull or Ms Nakamoto as soon as possible.

If you are interested, please fill out the details below and return to the Office ASAP.

I am interested in the next visit to Japan and would like further information

Box Hill offers small classes, guaranteed pathways to a number of universities (incl Deakin, La Trobe, ACU and Monash), study tours and overseas exchange programs.

ANOTHER HANDY CAREERS WEBSITE You will find lots of useful information at: www.leap.vic.edu.au (Learn Experience Access Professions). The website aims to demystify the links between school, university and the professions. Get news about the professions.

MARCUS OLDHAM SCHOLARSHIP PROGRAM – This is an independent tertiary institution established in Geelong in 1962. It has a reputation for providing quality education through developing courses in consultation with industry. It focuses on agriculture, agribusiness and equine management. Scholarships award students who are passionate about the agricultural and equine industries. The scholarships provide financial assistance towards tuition and residential fees. Graduates have an excellent employment rate, See: www.marcusoldham.vic.edu.au under COURSES AND ENROLMENT, then to SCHOLARSHIPS tab.

DO YOU WANT TO BE PAID WHILE STUDYING TO BE AN ACCOUNTANT? Some accounting firms offer Cadetships to Year 12 students wishing to study accounting and business at university. They provide students with the chance to gain practical experience while studying. At Ernst & Young students work full-time and study part-time for part of their degree, then full-time study to complete it. Students studying other subjects such as business management, legal studies, economics and IT might also be interested.
