2015 Student Survey Results for Noble Park Secondary College

At the start of this term our College received collated results from the Department on what our students feel and say about our College. Students were asked questions about:

1. Student Relationships (classroom behaviour, how they connect with their friends and student safety)
2. The wellbeing of the student (how they are feeling)
3. Teaching and Learning (how they are feeling about their confidence to learn, their motivation to learn, effectiveness and empathy of teachers)

Within all 3 categories above it is pleasing to report that there has been an upward trend of improvement in all categories in our 2015 results. We attribute this upward trend to the strong relationships between staff and students and the extensive work that our College has been undertaking with our consistent teaching and learning framework, which concentrates upon getting to know the students and having high expectations of student performance. These student survey results compared to other secondary schools are above both the state average and above other schools in our Region.

It is wonderful to know that our students are feeling confident in their learning and have confidence in our results.

Careers/Pathway Information for Year 10 Students

Thank you to our Year 10 level who have been diligently working on gaining expert advice on selecting their subject for Year 11 for their future pathways. We have been focusing upon a variety of seminars, information sessions and course counselling in order to give our Year 10 students as much information as possible. Thank you to the many staff who have been working with our students, especially this term, to give important information about selecting their subjects for 2016. It was very pleasing to see such a great crowd of both parents and students at our information evening held on Tuesday 28th July. We are confident that our Year 10 students are truly focused on making informed career choices.

Shinminato Senior High School Visit

Our College was delighted to host 7 students and 2 teachers from Japan last week. Congratulations to our host families, host students and all students who made our International guests feel so welcome. Thank you to both Mr Turnbull and Ms Oh for co-ordinating the week’s activities which were engaging, enlightening and rewarding for all concerned. A fabulous effort! Please see more detailed information within this newsletter.

Debating Success

Congratulations to our debating team (photos and more information within newsletter) who won their debate on Tuesday 28th July. I wish to acknowledge the support, coaching and expertise of Ms Barbara Smith and Ms Brenda Lawson who mentor our students so diligently!
Junior School Report

Year 7 News
In Math’s the students have been learning about finances and statistics, and collecting data in small groups on what a ‘typical’ Year 7 is like, the student feel that they are learning new skills, and not going over things that they have already learnt before. In English students are studying the novel Coraline and learning to respond to texts. There is also a strong focus on spelling and report back that their “English teachers are talented, with fountains of knowledge that they share with the students”. In science the students have been learning about animals and habitats and report that their science teachers really encourage effort from all students. For Humanities the students have been focusing on ancient Greece, Rome and Asia and there is a strong emphasis from their teachers on doing homework and demonstrating what they have learned.

Year 8 News
Year 8 students are learning Algebra in Maths and working at individual levels right up to Year 10 level work! Student are tested and challenged to develop to the highest possible level! In English there has been a strong focus on grammar, persuasive writing, and a number of students have competed in debating – winning against other schools. The debating program at the school is going from strength to strength. There is a strong focus on chemistry for Science with the student reporting that they are really enjoying the experiments and learning about Atoms and the periodic table. Sumo wrestling is the topic of conversation in Japanese and students have really enjoyed having students from Shinminato High School in Japan visit last week. During Art they are focusing on drawing and creating comics and characters a topic the students identify with especially anything related to manga.

Year 9 News
At Year 9 there is a continued strong focus on the core subjects, but students also do electives to broaden their knowledge and cater for individual strengths and interests.

This term, students report that they are really enjoying their electives, particularly Forensic Science, Outdoor Education and Bakehouse (cooking). Recently I was lucky enough to score a very tasty curry sausage roll from one of the students, and the students reported that they loved doing cooking with the Shinminato High School students when they visited! The Outdoor education students recently attended the 1000 Steps – building their fitness levels and together with other students will be going to a workshop soon where they get to build and keep their own bicycle! Of course the forensic science students continue to investigate crime and make the world a safer place 😊

Overall it is very gratifying to see students working well together in class and teachers challenging students to do their best always!

From the Principal....contd.

2015 Parent Opinion Survey
Each year the Education Department asks Government Schools to randomly select parents to ask about the school. Some parents will be contacted in the next couple of weeks to please complete this process. We thank you in advance for working with us in this endeavour.

Update of Facilities Upgrade
We have been working with the Department and staff to discuss how we feel we can best improve our facilities with our $5 million funding from the Government. We are excited about our future to provide for new teaching spaces for our students. Discussion with staff included example priorities such as:

- a new Senior Centre, Theatre, upgraded student toilets and improved heating & cooling. I will be meeting with student representatives from different year levels next week, to also have discussions on what they believe to be areas of high priority.

Reminders
- Winter Uniform (including tie) is compulsory for Term 2 & 3
- Students should attend school by 8-45am unless it is an emergency
- Homework Club is operating in Year 7/8 Centre on Tuesday and Wednesday from 3.30 to 4.30pm

It has been a busy but productive start to Term 3...Keep up the great work everyone!
Shinminato Sister-School Visit

On Sunday, July 17th, seven students and two staff from Shinminato High School arrived in Melbourne for a visit to Noble Park. The students stayed with families of Noble Park students. The five days spent at school was very busy and thoroughly enjoyed by the whole school. In fact, the staff at Shinminato said that it was the best ever exchange visit in the twenty year history of the exchange.

On Monday, after arriving at school and settling in with an orientation session, the visitors enjoyed a whole school welcome assembly which was attended by the Dandenong Mayor as well as representatives from Rotary. After listening to Mrs Dyson’s welcome address, Mr Mukai and Mrs Tokunaka, as well as Yuri Arata (student representative) also spoke. The assembly featured multicultural entertainment from Noble Park and the Japanese visitors also sang. After a morning tea, students had a great time making a video for Japan in Mr Matteljan’s Media class. Lunchtime was a barbecue organized by Mr Barry and the SRC. In period 5 the students observed classes.

On Tuesday, the visitors went into a Year 7 Math class with Ms Wearing-Smith and Mr Jeans where they conducted activities for the Year 7s. Activities included, tea ceremony, calligraphy, and origami. They then went into Dandenong to visit some Indian shops and ate lunch at the Afghan Masala restaurant. On their return, they went into a Year 8 Science class.

Wednesday saw the students cooking meat pies and scones with Ms Gale and the Year 9 Bakehouse class, followed by Volleyball, Drama with the Redback Theatre, and a Japanese class. Thursday was an excursion to the Melbourne Zoo with the International students. Friday started at 8:00am. They came to the Japanese class and presented speeches about their school for our senior Japanese students. After that, they made boomerangs with Ms Gale.

On Friday night 50 staff, students, and host families joined the Shinminato visitors for a meal, a speech by the Principal, and more unforgettable entertainment from Noble Park students. At the end, Shinminato students performed a number of Japanese songs and dances. The night was thoroughly enjoyed by all who attended, although there were many tears at the thought of leaving new friends behind.

After free time with the host families, students came to the school at 3:00pm. Again, there were many more tears as students said good bye and promised to see each other again. Ms Oh and Mr Turnbull took the Shinminato visitors to the airport and we waved good bye to them as they boarded their flight home. There were even more tears!

The week was a brilliant event as students from both countries got to know each other and shared experiences. Noble Park SC will send a group of students to Japan in 2016, so we all need to start preparing now. 

Ms Oh & Mr Turnbull
Model United Nations

On Wednesday 24 June, eleven Year 11 students participated in a very successful Model United Nations Conference at McKinnon Secondary College.

The Model United Nations Conference (or Model UN for short) was a simulation of the UN General Assembly during which students, known as “delegates”, stepped into the shoes of ambassadors to the UN and discussed the contentious issue of “Refugees: Rights and Risks”.

More than 100 students from different schools were divided into teams, each representing a country within the United Nations. Our College represented Afghanistan and Pakistan. Each team presented their country’s position on Refugee and Asylum Seeker issues.

The objective of the conference was to find the best possible solution to the problem through public speaking, negotiation and diplomacy. The students were required to consider their country’s national interests, international responsibilities and humanitarian obligations. The students learned how the UN works in session and how to lobby other groups to persuade them to support their viewpoint. Students gained confidence and practice in speaking in front of a large group.

Students who represented Afghanistan were – Alireza Alizada, Amed Lalizada, Shukria Kazimi, Nasrin Khanmohammadi, Len Dinsa.
Students who represented Pakistan were – Ali Akbar, Vanessa Ipu, Shujahat Hussain, Kavery Jeyakumar, Eida Ali, Abdi Feyera.

Debating

The final round of the DAV Inter School Debating Competition took place on Tuesday July 28th at Haileybury College. Haileybury College 2 were on the Affirmative and Noble Park was on the Negative.

Our topic was that all schools should teach a variety of religions in school. Our team line was that teaching a variety of religions in schools is both impractical and unethical.

Debating has given us more confidence to speak in public. We have learnt listening and speaking skills whilst doing debates, because we have to listen carefully to what the opposition is saying as we have to rebut them. We also learn to speak clearly because we want the adjudicator to understand us and also this brings fluency to our speeches. We became more effective speakers because we learned about voice and tone in order to speak in a more effective way.

We also gain more knowledge because we have to research the topic completely and while doing that we get to know about the problems that are happening in Australia.

The Debating team:

Divnoor Kaur, Kirat Kaur, Lisa Mao, Nirmal Chand, Kevin Kok and Christina Kok.
Future Pathways Expo 2015

On the 24th of July our Year 10 students were given the opportunity to experience life outside high school. Students attended individual seminars on prospective subjects to gain insight into subject expectations, University Courses and Future Career Pathways.

Students demonstrated an enthusiastic and inquisitive approach to the event, asking a series of fantastic questions about subject and course detail.

In speaking with students, they felt that they were fully informed about Senior School and were more confident in making wise subject selections.

Danijel Banovic
Traffic Management Plan 2015

**Community Information Sheet.**

Please observe the following guidelines when accessing Noble Park Secondary College, collecting or dropping of any persons, goods or services.

**Pedestrians**
- Please do not cross the bollards onto the road at Drop off point 1
- Follow the line markings to the north or south.
- Cross the main entrance road at the end of the path marked Pedestrian access, or via the north gates onto the sidewalk

**Vehicle Access**
Please observe the 15 km/h speed limit and drive with caution

**Dropping off and Collecting Students**
- Please enter by the first gate.
- Collect and drop of students at Drop of Points 1 (Point 2 may also be used if the traffic is at a standstill)
- DO NOT DOUBLE PARK

**Student Parking**
- Students are to park their car’s in the vicinity of Mon’s Parade – across the footbridge or further away, not opposite the school on Callaghan St.
- All student drivers must have completed the requirements of the Student Drivers Policy – please see the Head of Senior Subschool for the requirements.

**Delivery/collection of Goods**
- Please collect and drop of goods at Drop of Point 1.

**Contractors**
- Please park near the work shed – enter the school grounds and turn right at the technology building – proceed to the right into the gravel car park

**Visitor Parking**
- Please enter the main gate and park in the staff parking on the left.

---

**SchoolMate Information**

The Department of Education and Training has released an App which is designed to help you better understand the curriculum we use to teach your children every day.

The App, called **SchoolMate**, is available for free download now in the App Store for iPhones and iPads and in Google Play for Android phones and tablets.

SchoolMate gives you a general overview of the Victorian curriculum in each subject at each year level and:

- Provides you with an overview of what your children are learning in each subject at each year level according to the Victorian curriculum (AusVELS)
- Provides you with tips regarding activities and things you can do at home to help your kids in each subject and year level
- Suggests apps, books, events and activities related to each subject area and year level.

Our school, like all other government schools in Victoria, uses AusVELS as the basis for the learning programs we run at school every day.

Our teachers adapt the curriculum to meet the needs of our students and community, for example, designing learning programs around what your children are interested in, or around days or celebrations that are important to our community.

SchoolMate is designed to give you an overview of what children are expected to learn in Victorian government schools across every subject from Prep to Year 10.
Welfare News

The FRIENDS Program

Year 11 VCAL students are participating in the FRIENDS Program on Thursday afternoons.

The FRIENDS program is the world's leading programme for fighting anxiety and building resilience to help young people manage worry both now and in later life. It is acknowledged by the World Health Organisation for its 15 years of evaluation and practice. This program will be run for the remainder of the term. The program, promotes self-esteem, problem-solving, expression and building positive relationships with peers and adults. This program will also be introducing students to Mindfulness and useful apps such as “Smiling Minds”.

If you have any questions about the program please feel free to contact the Student Wellbeing Team Lynda and Theresa.

Every Friday between 8-8:30am come and enjoy a yummy breakfast in the International Room! Come and enjoy an warm milo and hot toast on these cold mornings. Or alternatively enjoy a bowl of cereal or fruit. See you there!

The Noble Park Cup has commenced and the competition is fiercer than ever! Come and cheer on the teams as they battle it out every Friday lunch time in the Hall!

Monash University provides FREE TUTORING Tuesday & Wednesday (not first or last week of term) 3.30 – 4.30pm in the FLC. All students welcome!

The School Dental Service is coming to Noble Park Secondary College from the 3rd August.

The School Dental Service provides free preventive dental treatment for students. This treatment is covered by Medicare Child Dental Benefits Schedule (CDBS) for eligible children. Information and parent consent forms have been sent home. The forms need to be returned to the school if you would like to utilise this service. If you have any questions please feel free to contact me.

Theresa Sprekos
Adolescent Health Nurse

180 program: 'If you are in years 7, 8 or 9, come and hang out in the gym during Thursday lunch time for some awesome games and activities'

The Right Size to Personalise

Monash University provides FREE TUTORING Tuesday & Wednesday (not first or last week of term) 3.30 – 4.30pm in the FLC. All students welcome!
Year 9 Health Day
Thursday 20th August
All year 9 students will be rotated through different sessions throughout the day.

Health Questions & answers
A safe supported session where students can ask all those questions they want to know the answers to and were afraid to ask. Questions can be put in anonymously before the session and will be addressed in the session.

Anti-Smoking
Interactive session with activities and strategies to discuss the impact of smoking and the associated health related issues.

SECASA.
Promotes healthy & respectful relationships. Discussion around assertive communication, sexting & violence and how these may affect themselves and others. Discussion around nonviolent ways to deal with self and others.

Zumba & Boxing sessions
Girls will participate in a Zumba session and boys a Boxing session. Promoting physical activity as a part of everyday health.

Year 10 Health Day
Tuesday 4th August
All year 10 students will be rotated through different sessions throughout the day.

Victorian Police
Prevention program: interactive program based around harm minimisation. Discussion around safe choices & decision making in relation to safe partying.

Responsible gambling.vic.gov.au
Gambling’s not a game presentation. Presentation around the impact of gambling on individuals and community. Discussion and presentation around gaming.

Health Nurse
Interactive program around safe partying. Focusing on harm minimisation.

Spinchat
Speakers with a spinal injury come to the school to discuss how they came by their injury. These speakers come out and share their life story.

Ambulance Victoria
Focusses on protecting self and others and harm minimisation approach. Identify risks associated with drug and alcohol use
Looks at basic first aid and knowing when and how to call an ambulance
Discuss safe party practices to aid prevention of medical emergencies

### 2015 VCE Examination Timetable

- You must check the starting time of each examination and arrive at least 30 minutes earlier, and be familiar with rules about late admission to examinations.
- The start time for the afternoon session on Thursday 29 October, Friday 30 October, Tuesday 10 November and Wednesday 11 November – when only two sessions are scheduled – is 2.00 pm.
- The start time for the afternoon session on all other days when three sessions are scheduled is 3.00 pm.
- The reading period is included in the times shown in the timetable. Each examination commences with a 15-minute reading period unless otherwise specified.
- All written responses must be in English, unless otherwise instructed in the question book for that particular examination.
- If you are presenting for performance examinations, Languages examinations oral component or the Extended Investigation oral presentation you will be issued with an examination advice slip. Photo identification and examination advice slips must be presented for entry to your assessment. In some cases, students in regional and rural areas may be required to attend venues in Melbourne.
- The following examinations have an audio component: Music Style and Composition, Music Performance, VET Music Technical Production and all Languages except Indigenous Languages of Victoria. Classical Greek, Classical Hebrew and Latin.
