31 May	Yr10 Outdoor Ed Bike Riding Exc
12 June	King's Birthday - PUBLIC HOLIDAY
15 June	GAT Exam

From the Principal

Welcome to Term 2

We have had a smooth start for the term, however there are two main issues that need addressing.

These include:

Wearing of Winter Uniform

The student management teams for all year levels, reinforced to all students at the end of term one, that as per school policy as set by School Council, the winter uniform, which includes wearing of the school tie, (as stated in the School planner) is to be worn during Term 2 and 3. Families and students are reminded to ensure they have a tie.

Lateness to School

During week one, students managed to be at school on time, but this has deteriorated during the second week. Students must be at school at the latest by 8.40am, to allow to them to go to their locker and then be at their first class by 8.50am.

I ask Parents and Guardians to reinforce the importance of punctuality, and to work with their son or daughter in facilitating that they are to be at school by 8.40am. If there are exceptional circumstances, we would appreciate a note or phone call from Parents/Guardians to explain the reason for being late.

Pam Dyson
College Principal

From the Principal continued...

Thank You

I placed a notice on Compass during week one of some minor amendments to staffing. Bernard Hudson (Hands on Learning Artisan) has left the College. Karen Matthews (Librarian) and Stella Dimadis (Arts) have both retired. We thank them for their contribution to the College and wish them well in their future endeavours.

Welcome to new Staff

We welcome Jim Chambliss to the Arts facility, Corey Lawson to PE/Health/Science facilities and Sharmaine Fernando to the EAL facility. We also welcome a short-term replacement teacher, Greg Barker, who will be teaching in the Maths/Science area.

Term 2 is a 9 week term with the last day being Friday 23rd June. Please see calendar dates for events planned for this term. They include: Year 11 & 12 Careers Expo's, Year 10/11/12 'Try a Trade' expo, Senior and Intermediate Sport, District Cross Country, District Athletics, Year 9 Morrisby testing, Year 8 Sport, Year 11 exams, Kings Birthday holiday (Student free day – Monday June 12th), Year 7-10 Exams, General Achievement Test (GAT) and Regional Cross Country.

A very busy term indeed!

We look forward to a great Term 2 with a very full and productive program.

College Scarves and Beanies

As we have been coming into the cooler weather, just a friendly reminder that the College sells scarves and beanies. These can be purchased at the front administration office at any time.

Scarves are \$20.

Beanies are \$15.

Change of Roles & Library News

Hi everyone,

I would like to let you know that I have officially finished in the role of Wellbeing Coordinator here at Noble Park Secondary College after many years.

Happily, though I am not leaving the school community, and I was successful in obtaining the new role as Library Manager which I commenced on May 1st.

I look forward to seeing all our students in the library, and have already started morning house competition which are proving quite successful.

This competition runs Mon to Thurs Term 2, with winners for the house being announced Fridays.

LIBRARY MORNING HOUSE COMPETITIONS: Term 2

MONDAY TO THURSDAY Between 8 – 8.30 Fun House Competitions.

Mindful Monday:	Visual puzzles
Trivia Tuesday:	General Trivia questions
Wordy Wednesday:	Language based puzzles
Thinking Thursday:	Number based puzzles

COME ALONG AND HAVE A GO:

Every staff and student will get 2 house points for having a go.

Winners will be announced Fridays, and receive an additional 10 house points and a chocolate!

At the end of the term all winners will go in a draw, and the 1st person drawn from each house will win a house scarf for themselves. These will be announced at the 1st assembly the next term, along with total of points for all houses.

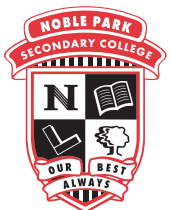

Thank you, Lynda

Free Books

Lynda has placed a notice on Compass about Free Books.

Outside the Library opposite the Food Tech room is a large bookshelf full of books.

Students are welcome to take them home and keep them.

Library News

Week 3: Library Morning House Competition (8am – 8.30am)

Wow what a great start to our House competition.

We had over 90 people come through the library and have a go.

Each person won 10 points for their House for having a go.

We had 36 people win over the week and some multiple times.

They received 10 points for their houses and a chocolate if they come to the library on Monday!

The competition will finish the 2nd last week of term and the winning house will be announced during the last week. Winners all going in a draw to win a house scarf for themselves.

(1 scarf per house)

So as it stands at end of this week

3rd place Serpent 94

2nd place Griffin 226

1st place Phoenix 282

Change of Roles & Wellbeing News

Hi Everyone!

My name is Dinuka Perera, and I am excited to be your Student Wellbeing Coordinator for the year. I have taken over from Lynda Chapman, who has gone on to a new role as the Library Manager (You can still go say hi to her in the Library!).

I have been working as a Youth Worker at another school for the past 5 years and am really looking forward to stepping up into this new role as the coordinator of our Wellbeing Team. I believe that your school years are so vital to your future and I want to work with you all, along with my team, the best I can to ensure you can succeed to your full potential!

Come by and say hi, I love all things sport and animals and am bit of nerd too! (I love Pokemon!)

If you ever need any support in any way at school, please don't hesitate to find me or anyone in the Wellbeing Team.

I am looking forward to working with you all this year!

- Dinuka Perera | Student Wellbeing Coordinator

Sport

Senior sport headed out for their term sport on Wednesday 3rd May.

The Senior Boys soccer team played well in their first match losing 2-1 to Dandenong High.

In the following matches played Carwatha, also losing 2-1. In their remaining matches Noble Park beat Keysborough Banksia 2-1. Throughout the day they played, with great team spirit and work ethic.

House Information

Firstly, a quick recap from Term one. It was a very busy term with each House competing in several all school events.

Phoenix proved to be the fittest house winning the Athletics Sports from Griffin and finally Serpent. Griffin showed their affinity for chocolate and won the Easter Egg hunt. Second place went to Phoenix with Serpent coming a close third.

Finally, not to be outdone, Serpent became the most generous house donating the most items for our food drive. Next came Phoenix and followed by Griffin.

For each of the events the Houses earned 100 points for first place, 50 for second place and 25 for third place. Individual students can also earn house points in their classes for outstanding work or actions recognised by their teachers.

Currently the points are:

Phoenix	200
Griffin	175
Serpent	160

This term there are lots more chances to earn House points for your House.

In Week 5 there will be a House Volleyball competition. Each house will have one girls team and two boys teams (Junior Yr 7-9 and Senior 10-12). The sign up sheets are on the House boards. Get your name down and be involved. Make your house the champion house! If you are not a volleyballer come down and support your house. It should be very competitive!

Later in the term there will be a bottle flip competition. More details to follow.

If neither of these events are to your liking, why not try the Morning House Competitions in the Library! We would love to see you there! Get involved, support your House and have fun along the way!

Frank Facey Student Award

If you know a Year 12 who is passionate, dedicated and works hard to reach their goals, this is the award for them. Help them get recognised for their efforts by nominating them for this prestigious award.

Anyone in the community can nominate: students, teachers, family and friends. We also encourage self-nominations!

What are you waiting for? Get nominating!

Nominations close Friday 30th June at 5pm.

Nominate someone great here: <https://www.faceyproperty.com.au/student-award>

*Terms and conditions apply

Smile Squad

During this term Smile Squad Dental Packs will be distributed to all students.

The Smile Squad dental pack contains all the tools students need to achieve and maintain good oral health.

- a full-sized tube of toothpaste
- a toothbrush
- 'Eat well, drink well, clean well' brochure full of helpful hints and tips for a healthy smile.

Smile Squad offers the following services to all Victorian government school students:

- free oral health promotion
- free annual dental health check-ups
- free follow-up treatment as needed.

We will keep you up to date and let you know when Smile Squad will be visiting Noble Park Secondary College.

Biggest Morning Tea

Australia's Biggest Morning Tea is an annual community event that raises vital funds to make a big difference for those impacted by cancer.

At Noble Park Secondary College, the Year 12 VCAL class will be hosting their own Biggest Morning Tea on Thursday 25th May 2023.

We have pledged to raise

\$1000

for this worthy cause!

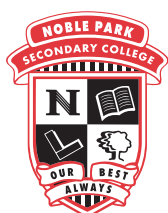

We would like your support to help us reach this amount.

Please make your tax-deductible donation directly to the Cancer Council of Australia and they will issue you with a receipt.

Follow this link to donate:

Year 9 Japanese Excursion

In early morning of May 5th, 2023, we had a Japanese food excursion to the city. First, we had to come to school to study in period 1 and then from period 2 we met each other at the canteen. We started to leave the school at 10:00am. We got on the train from Noble Park to Parliament station. When we arrived, we took some pictures of each other in front of the Royal College of Surgeons and then we all walked down to the restaurant. The restaurant was so amazing. I ordered tempura udon. It was very good and for my dessert order I got tempura maccha ice cream. It was so amazing. I haven't eaten anything like that before.

After that, we all walked to QV near Melbourne Central then we took a train back to Noble Park. I really loved and enjoyed that excursion. I hope that we can have that excursion again.

By LyLy

The Japanese excursion was really fun. We took the train into the city and walked to the restaurant to eat. I had plain rice with extra chicken that my friend gave me. It was really good. The restaurant was nice and the people there were great too. After we ate, we walked to a shop called Daiso and I bought a lot of cool things. After we walked back to the train station and took the train back to school. I had lots of fun on the excursion.

By Mia

On Friday I went on Japanese excursion. The weather was very cold and drizzling. On the train, I was recording and taking video and pictures for memories. At the Yamato restaurant the food was absolutely good. I ordered udon and I love it. Everyone was happy and funny. We enjoy times together! Everything was perfect. The noodles, rice, ice cream, sushi, and even the service. Next year, I hope to have another excursion like this. By Serena

I've ordered beef udon. It was really flavorful and enjoyable. The beef had a lot of flavor and was real tender. I see why beef udon is some people's comfort food. It is hot and tasty. The restaurant itself is small and really comfortable. I would like to go again. No dislikes. It was fun to be outside of school.

Year 10 Outdoor Ed

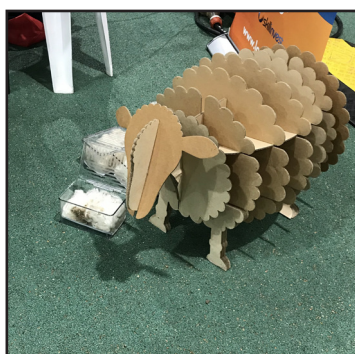

Our Year 10 Outdoor Ed class enjoyed a day of indoor rock climbing.

Students were able to work as a team to complete the different wall climb's and enjoy themselves in the process! Next week they will be returning to complete some other indoor rock climbing activities to gain more personal experience from this environment and apply it to the outdoor climbing session later in the term.

Try A Trade & Careers Expo

For Careers, senior students often get the chance to go on excursions to Career's Expo's and Try a Trade to help them find out more information about potential courses, job opportunities and interests they may want to pursue after school.

Career News

npssc.careers

Dates to Diarise in Term 2

- 30th May Morrisby Online Profiling Assessment
 - 28th, 30th and 31st August 1:1 Morrisby Interviews
- Consent is due back for the Morrisby Interviews as soon as possible.**

About the Morrisby Interviews:

Year 9 students will start their Morrisby Program next Tuesday with a practise session.

Morrisby is a career assessment tool designed for students in year 9 to discover possible career paths, develop an awareness of the vast array of careers in society and assist them to drive their career planning, giving them the confidence to start mapping out their future. Morrisby is a vital tool when choosing senior subjects that can give them the foundational knowledge and skills to work toward their future study or work goals.

The Morrisby program is presented in 2 stages. The first stage is online profiling, the second stage is a 1:1 consultation with a trained Morrisby consultant, to unpack their profiling results and investigate suggested careers.

Year 9 students will participate in profiling on Tuesday the 30th May. The profiling involves students completing a series of online aptitude, interest, and personality questions. Students will then in Term 3 have the opportunity to have a 1:1 consultation with a trained Morrisby advisor to discuss the profiling results, investigate subject options, and explore suggested occupations, based on their results. These consultations will take place via Webex at school. **Please make sure students laptops are charged.**

Morrisby Profile Information for Parents

INFO SHEET

What is the Morrisby Profile?

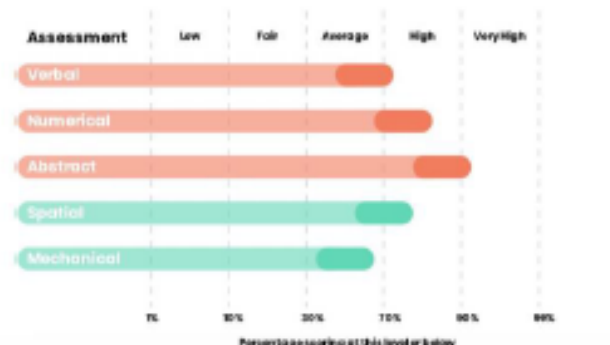

The Morrisby Profile is here to help your child find their true career direction using scientific profiling of abilities, personality, interests and motivation to help them discover their own unique characteristics. With this awareness, they can ensure they are able to make the right choices when it comes to options at ages 16 and 18, local college or higher education courses and apprenticeships, plus lots of information on the careers that we feel they would be best suited to.

We have been providing careers services for more than 50 years and are trusted by over 1,500 schools worldwide.

What is involved?

Participants will be asked to complete approximately 100 minutes of timed assessments and questionnaires. These are usually taken under exam conditions – but this is not an intelligence test and there is no need to revise. The student is given practice questions at the start of each session and a timer shows how much time is left as sections are worked through.

Results can be immediate, or schools can choose to release them later and results can be shared with parents via the online accounts that will be generated upon sign up.

Why should you sign up to do the Morrisby Profile?

- Gives a fascinating insight into inner strengths and abilities, preferences, motivations, and personality type
- Helps make important decisions such as which subjects to take or what the next steps could be based on their preferences
- Provides careers suggestions best suited to their inner strengths and abilities plus advice on the routes to those careers and makes appropriate recommendations
- Offers access to over 600 career descriptions including videos, case studies and useful links
- All accounts include a 'login for life' which gives users the ability to develop and refresh their profile and seek support over time

Next steps

Please take note of how the school will be running the sessions and contact the school if you have any questions regarding that.

Morrisby is registered with the Information Commissioner's Office as an organisation that processes personal data under number Z5657144. All personal data is stored securely in accordance with the EU General Data Protection Regulation (Regulation (EU) 2016/679).

Career News continued

World Economic Forum (WEF) analysts predict that a staggering 83 million jobs will be nixed globally in the next five years as bank and postal clerks, cashiers, secretaries and other roles are pushed out by new technology. At the same time, 69 million jobs will be created in emerging industries, such as artificial intelligence (AI), sustainability, and robotics. Still, that's a net loss of 14 million jobs, or 2% of the current global workforce.
