Canned Food (and nonperishable food drive)

Thank you to the students/families who have donated food to our House Competition. We will be donating goods to our local organisations to assist families in need. If you have not yet been able to donate, it is not too late. Please bring your items to the General Office. Thank you to those who have donated and to those who will donate. We are very committed to helping our local community.

Congratulations Student Leaders

Our Student Leaders recently participated in a Student Leadership course with Darren Pereira, and I have been given feedback that they eagerly contributed and demonstrated amazing outcomes.

Congratulations to all.

College Beanies and Scarves

As we have been coming into the cooler weather, just a friendly reminder that the College sells scarves and beanies. These can be purchased at the front administration office at any time.

Scarves are \$20.

Beanies are \$15.

Message from the Front Office

If any parent or guardian needs to pick up a student earlier than 3:05pm, please give the student a note beforehand so that they can give it to either the front office, or their year level coordinator. This gives us notice that the student will be leaving early so that we can ensure they are at the office at the relevant time.

Course Counselling - Handbooks

The Year 9 into 10, and 10 into 11 Course Counselling information has been released on Compass from Elizabeth Roshiah. Subject Selection Handbooks have been attached on Compass and have also been uploaded to the website for your reference.

House Happenings

Well Term 3 has certainly started with a bang!

Currently there is a food drive happening, with donations of food being bought and placed on House tables. The House that donates the most will receive House points!

Library competitions are up and running again this term in the morning before school. Get to school early and go to the library and see if you can solve the puzzles. House points are given to those who participate and to those who are able to solve the puzzle. Be an early bird, go say hello to Lynda in the library and earn some House points!

Coming up:

We will be running Numbers and Letters Games at lunchtimes for one week, with House points being awarded. These are based on the series on the SBS television station. We will have further information in Pastoral care sessions where you will see the game being played. Keep your eye on Compass for sign up sheets. Teams of three students representing each House will compete. Will you be our next champion?

Headstart Program at NPSC

Hi, I am Julie Byrne, I am your Headstart Industry Coordinator for Noble Park Secondary College. Headstart is a school-based apprenticeship and traineeship pathway, for Year 10 -12 students.

Headstart students are paid employees who can spend a significant amount of time on the job and in training whilst still working towards completing their secondary education. Headstart allows students to gradually transition into fulltime employment.

As the school's Headstart Coordinator I will provide ongoing tailored support to students whilst undertaking their apprenticeship or traineeship. If you are a student, who is confident in your career choice, engaged with learning, possesses employability skills, work readiness and responsibility, Headstart could be the pathway for you.

For further information come see me every Monday between 9am -3pm in the Careers area or contact myself on: Email: Julie.byrne2@education.vic.gov.au or Mobile: 0491 613 347
