7 Sept	Free Dress Day

From the Principal

Noble Park Secondary College is an amazing school with an amazing community of students, parents and staff. It is a great privilege that while Ms Dyson is away I have the opportunity to lead the College.

Student, Parent, Teacher Conferences 29th August

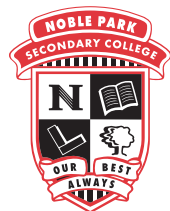

On Tuesday the 29th August, students and parents have the opportunity to meet online with teachers to discuss their child's educational growth. This is a great opportunity for parents to hear from teachers, as well as find out what your child is working on in class. To book a time, go to Compass on your child's account to make an appointment.

Gavin Ferrier
Acting Principal

School Sport

It has been fantastic to see an increased number of students going out to play sports against other schools this year and over the last few weeks in particular. With more sports days to come, I would encourage all students to take the opportunity to participate, and for parents to encourage them. Playing sports for your school is a great opportunity to be part of a team environment and discover something new that you might be good at. I would like to encourage parents to also look at your children being involved in community sport. Community sport allows your child to meet new people, develop sporting skills as well as further develop life skills. If you are unsure how to get involved, ask your child to speak to the PE teachers. They will have some great ideas.

From the Principal continued...

Year 9 Morrisby Interviews

Earlier this year, all year 9 students completed a Morrisby Survey. Coming up soon, they will all have an interview with a careers specialist regarding their survey. This allows students to align their personal interests with their future career. For some students this confirms the careers that they are interested in, for others it points them in the right direction. It is also a powerful opportunity for parents to talk to their children about their career interests. Please take the time to talk to your child about the interview and their survey results.

Course Counselling - Handbooks

Senior Year Levels can now access their Subject Selection handbooks both on our College website and on Compass under 'School Documentation'. Information on Year 10 into 11 Course Counselling bookings can be found on Compass.

Music News

We are thrilled to unveil our brand-new Year 8 Music Band Program, designed to motivate a passion for music and provide an immersive learning experience for our students. This exciting program offers a unique opportunity for students to explore various musical instruments and enhance their theoretical knowledge.

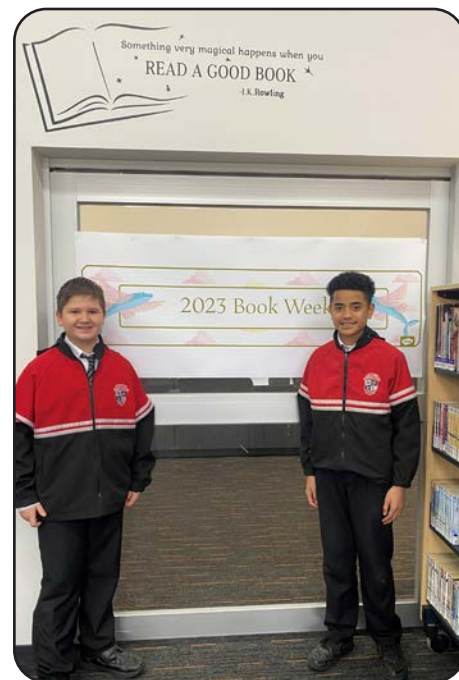

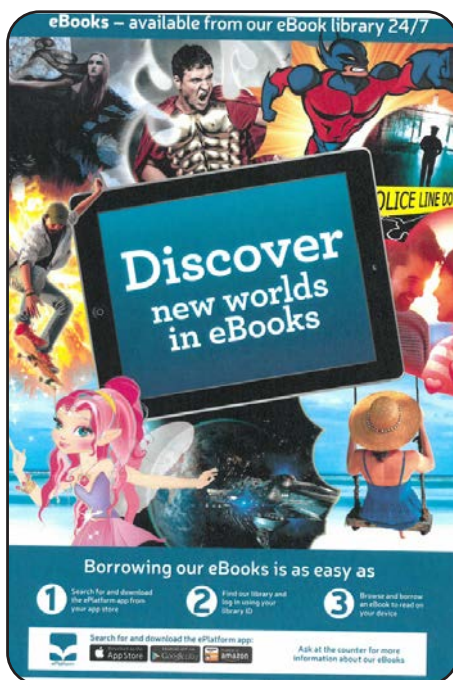

Through hands-on experience, students will gain an understanding of how different instruments contribute to the overall sound of a musical ensemble. Theoretical concepts come to life as students apply their knowledge in practical settings. By connecting theory to real-world musical experiences, students will deepen their understanding of musical concepts and develop a well-rounded skill set.

As part of the program, students will engage in an exciting research project focused on a chosen musical instrument. This project will enable them to explore the instrument's history, construction and playing techniques.

Book Week

Book Week is fast approaching once more! This year the theme is “**READ, GROW AND INSPIRE**”. Year 7 English will be celebrating on the 24th of August with a costume parade in the library and some fun activities. This will include prizes from the English dept and little gifts from the Library. They will also be feasting on freshly made Pancakes! Staff will have a parade of their costumes outside the library during lunchtime. **HAPPY READING & HAPPY BOOK WEEK!** From the Library & English Department.

Library News

Students are encouraged to borrow a book from the library and once they return it, please write a review! Students who write a review on a book borrowed have the opportunity to choose a prize as pictured below! (Popcorn or sour worms)

EAL/LOTE News

The Y12 VCE EAL excursion to the Hellenic Museum on July 13th

On July 13th, both EAL classes went on an excursion to visit the Hellenic Museum which is about the Greek people's history. There was very beautiful jewellery, vases and dresses from the past. As this term we are reading the book Ransom which is about the Trojan War, gods, and relationships between gods and humans, the excursion to the Hellenic museum really helped us and gave us more information about the Greeks and their history. - Roqiah Sadeqi

We are thrilled to share our experience from the tour of the Gods, Myths and Mortals exhibit. Our guide was incredibly knowledgeable and passionate about the subject matter. They engaged us with intriguing stories and answered all our questions, making the entire experience educational and entertaining. Not only did this tour deepen our understanding of Greek mythology, but it also sparked our imagination and creativity. We left the museum feeling inspired and eager to delve further into the world of myths and legends to help with our set text this term 'Ransom' by David Malouf. - Siti Nur Binti Ibrahim

VCE Psychology Sleep Incursion

On Wednesday 9th August, Dr. Jade, a sleep scientist from Monash University, taught our year 12 Psychology students about the critical concepts of sleep science. During the incursion, a volunteer student was wired up to a portable sleep diagnostic device, and the class had the opportunity to observe their brain waves (EEG), eye movements (EOG), heart (ECG) and muscle tone (EMG) in real time.

- Suzanne Menezes, Senior Leading Teacher

Darren Pereira from Success Integrated

The College welcomed back Darren Pereira from Success Integrated this term to speak to our Year 10 students about making informed decisions for their subject selection process, and also conducted a Leadership seminar with our College Leaders.

Year 12 Luncheon

On Thursday 17th August we celebrated our Year 12 Luncheon! A big thank you to our Year 12 students for attending and to staff who came to support their event, it is much appreciated.

Thank you to the classes and teachers who helped to set-up and pack-up... and of course a huge thank you to Mrs Soumplis for organising all of the food and doing all of the preparations.

Food Donations

Our food donations from earlier in the term were taken to SECL. Thank you again to everyone who contributed! And congratulations to Serpent House for winning the house points!

Year 11 Deakin University Excursion

On Friday 28th July our Year 11 VCE students went on a tour of Deakin University in Burwood.

Year 11 Access Monash Incursion

Thank you to Access Monash for coming to speak to our Year 11 students. Students played a fun and interactive activity to encourage them to think about the challenges and choices they may face in the transition from secondary school to university.

Students worked together with their peers on a board game to inform them of their eligibility for scholarships, SEAS and highlighted pathways available to them after school.

Work Experience

Work Experience is a wonderful opportunity for students to experience the world of work. We offer all Year 10 students the opportunity to participate in the Work Experience Program. Any enquiries can be directed to the Careers Team.

If you think your business or workplace could host a work experience student, please contact the Careers Team, we are always looking for host employers!

Morrisby Program

Year 9 students started their journey on the My Career Insights, Morrisby program. Morrisby is a career assessment tool designed for students in year 9 to discover possible career paths, develop an awareness of the array of careers in society and assist them to drive their career planning, giving them the confidence to start mapping out their future. Morrisby is a vital tool when choosing senior subjects that can give them the foundational knowledge and skills to work toward their future study or work goals.

The Morrisby program is presented in 2 stages. The first stage is online profiling, the second stage is a 1:1 consultation with a trained Morrisby consultant, to unpack their profiling results and investigate suggested careers.

Year 9 students participated in profiling during Term 2. The profiling involves students completing a series of online aptitude, interest, and personality questions. During Term 3 Year 9 students will have the opportunity to have a 1:1 consultation with a trained Morrisby advisor to discuss the profiling results, investigate subject options, and explore suggested occupations, based on their results. These consultations will take place at school in the Frances Ho Centre and will be indicated on the students' Compass.

The University of Melbourne - Class of 1976 Scholarship

The University of Melbourne offers a 'Class of 1976 Scholarship' to Noble Park Secondary College students.

This Scholarship provides an allowance of **\$18,000 per year for 3 years** to the successful student from our College. This allowance is made by an anonymous benefactor who once attended Noble Park Secondary College and then studied at The University of Melbourne.

You do not need to submit an application for this scholarship. All students from Noble Park Secondary College who have applied to The University of Melbourne via VTAC will automatically be considered.

**THE UNIVERSITY OF
MELBOURNE**

Scholarship

The Class of 1976 Scholarship is awarded to students from **Noble Park Secondary College** - or surrounding government schools where criteria is not met - to aid in undertaking an undergraduate degree at The University of Melbourne.

**THE UNIVERSITY OF
MELBOURNE**

Benefits

The Class of 1976 Scholarship provides an allowance of **\$18,000 per year for 3 years**. This allowance is made by an anonymous benefactor who attended **Noble Park Secondary College** and studied at The University of Melbourne.

Each year the allowance is paid in two instalments - in April and September.

**THE UNIVERSITY OF
MELBOURNE**

Outcome

Scholarship offers are made a few days after the Victorian Year 12 ATAR results are released in December.

The college would like to thank The University Of Melbourne for speaking to our Year 12 students about this opportunity.

We extend our thanks to the anonymous benefactor who kindly funds the successful student during their 3 years at The University of Melbourne.

Structured Workplace Learning (SWL)

Students who choose to undertake Structured Workplace Learning are visited by staff to ensure their experience is running smoothly in their chosen industry.

Student spotlight - Karley Hooper-Ford- Year 11

Karley is completing the VCE vocational major Cert 2 in Animal Studies at Foundation Learning Centre. This is Karley's first year of her vet studies and she will continue completing her Cert 2 next year along with her Year 12 certificate.

Karley is currently completing her structured workplace learning placement at Chesterfield Farm in Ferntree Gully. Her time has seen her participating in activities and as you can see by the photo, Karley has many animals to work with. This is good practise for Karley's goal to work with animals in the future.

There is a video of her SWL on our College YouTube Channel.

Please keep in mind:

SWL is a core component of the VCE VM. Every student is required to have a SWL placement directly aligning to their VET studies. If a student has not yet secured a placement, they are expected to attend school on either Wednesday or Fridays. During this time students can research SWL opportunities, contact potential employers and complete any outstanding VET or class work. If students cannot attend their SWL due to unforeseen circumstances the employer and our Careers Team MUST be contacted by phone call. NOT SMS.

Attendance at VET is essential for a successful outcome of the VCE Vocational Major and to gain a VET Certificate. If a student is going to arrive late or is unable to attend either their VET or SWL, they must inform the Careers Team directly on 9546 9136 and a parent/guardian approval must be entered on Compass. Absences without approval will be considered truancy. Failure to meet the minimum required hours for VET may result in a 'not satisfactory' result, compromising VCE VM and a VET certificate.
